

Quintus Curtius Rufus

De Rebus Gestis Alexandri Magni

The text on this page is extremely faint and illegible. It appears to be a historical or biographical work, likely a translation of the Greek text by Curtius Rufus. The layout consists of several columns of text, with a prominent vertical line separating the left and right halves of the page. The ink is very light, and the paper shows signs of age and wear.

The text on the right edge of the page is also illegible but appears to be a list or index of names or terms, possibly related to the main text. It is arranged in a vertical column.
