bus capitis christi et  
membrorum eius.

Actualibus preceptorum a distin. xxxvij. vsq ad distin. xl.

Faint, illegible text is visible on the page, likely bleed-through from the reverse side. The text is arranged in several lines and is very light in color, making it difficult to read. There are also some faint markings and a small red dot on the page.

Fragment of text from the adjacent page on the right, including words like "n", "fi", "Qu", "ctio", "riac", "vuir", "Cur", "mon", "m", "a", "An", "Gra".
