

LIST OF THE CIRCULARS
OF THE
COMMITTEE OF REVISION AND PUBLICATION
OF THE
PHARMACOPŒIA OF THE U. S. OF AMERICA
(1890-1900)

(FROM MAY, 1890, TO JANUARY 1, 1897.)

Note. This list is published primarily for the convenience of the members of the Committee of Revision. These Circulars were not printed, but written (hctographed) either by the Chairman or by his amanuensis, and there are no spare sets remaining over for general distribution. It will, therefore, be useless to forward requests for copies. But every member of the Committee of Revision has received at least one copy of each Circular, and will be able to afford access thereto to those who ask the privilege of consulting them. This list comprises only the official Circulars of the General Committee, but does not include the Special Circulars of the various Sub-Committees.

The names of members of the Committee of Revision, when appearing as authors of, or contributors to, any Circular, are given without professional titles.

(w. v. sh.) means "with voting sheet."

99	Jan. 2.	Report of Treasurer, James M. Flint (from March 25, 1891, to Jan. 1, 1892)	492
100	Jan. 12.	Table of Atomic Weights of the Elements, and of Molecular Weights of Groups of Elements, Official Chemicals, etc., according to Meyer & Seubert's figures. By C. O. Curtman	493
101	Jan. 20.	Descriptions of Inorganic Chemicals (VI). By C. O. Curtman and F. B. Power	506
102	Feb. 3.	Result of Vote on Circ. 98	522
103	Feb. 10.	Descriptions of Inorganic Chemicals (VII). By C. O. Curtman and F. B. Power	523
104	Feb. 10.	On the Assay of Tincture of Opium. By W. M. Mew	556
105	Feb. 19.	Correction of some Errata in Circulars. By Chairman	560
106	Feb. 19.	On Oil of Wintergreen. Reprint from Pharm. Rundschau (N. Y.), 1892, 7-9. By F. B. Power	561
107	Feb. 19.	Comparative Table of Atomic Weights according to Meyer & Seubert, and F. W. Clarke. By Chairman	562
108	Feb. 28.	On the Co-operation of Non-members. By Chairman. (w. v. sh.)	563
109	Mch. 21.	Report on Volatile and Fixed Oils. By F. B. Power	565

Circular No.	Date. 1892.	Subject.	Page.
110	Mch. 31.	Reagents and Volumetric Solutions proposed for the U. S. P., together with some Specimens of the Text of Inorganic Chemicals. By C. O. Curtman, F. B. Power, and the Chairman. With printed Pamphlet of 40 pages.	631
111	Ap. 11.	Result of Vote on Circ. 108	632
112	May 6.	Descriptions of Inorganic Chemicals (VIII). By C. O. Curtman and F. B. Power	633
113	May 9.	Additions and Correction to "Reagents and Volumetric Solutions" (Circ. 110). By C. O. Curtman	718
114	May 16.	Report on Syrups. By W. G. Gregory	723
115	May 23.	Note regarding Atropine and Hyoscyamine and their Salts. By E. Merck, of Darmstadt, through Mr. Theod. Weicker	740
116	May 23.	Determination of Melting Points of some Alkaloids and their Salts. By Dr. Alfred Dohme	743
117	May 14.	Reply to certain Criticisms of the Pamphlet on Reagents. By C. O. Curtman	746
118	June 3.	Regarding the Molecular Adjustment of Official Acids, and Solutions of Alkalies. By Oscar Oldberg. (w.v.sh.)	761
119	June 10.	Report of Sub-Committee on New Galenicals. By L. E. Sayre	764
120	June 23.	Report on Organic Acids. By Chairman	770
121	June 13.	Preliminary Report of Sub-Committee on Fluid Extracts. By Jos. P. Remington. (w. v. sh.)	789
122	June 24.	On the proposed 50 per cent. Preparations. By Chairman. (w. v. sh.)	790
123	June 27.	Abstract of the Report on Materia Medica. For the Sub-Committee, by J. M. Maisch. (The original Report, in which a separate Sheet was devoted to each Vegetable and Animal Drug, with the Notes and Comments of each Member of the Sub-Comm., was too voluminous to be sent out as a Circular.)	791
124	July 5.	On Spirit of Nitrous Ether. By C. O. Curtman, with Note by Chairman	795
125	July 11.	Report on Proximate Principles (I). By R. G. Eccles, Chas. Rice, and H. H. Rusby	796
126	July 20.	Report on Tinctures. By J. P. Remington	811
127	July 22.	Announcement of the Death of Prof. P. W. Bedford (July 20th, at the Profile House, White Mountains)	820
128	Aug. 1.	On Amyl Nitrite. By C. O. Curtman	821
129	Aug. 8.	Report on the Menstrua of Fluid Extracts. By J. P. Remington	822
130	Aug. 19.	Result of Vote on Circ. 118	826
131	Aug. 19.	Result of Vote on Circ. 121	827
