

ΑΡΑΤΟΥ

 ΣΟΛΕΩΣ ΦΑΙΝΟΜΕΝΑ.

Ciceronis in Arati Phænomena inter-
pretatio, quæ multo & amplior est
& emendatior, quàm uulgata.

Accesserunt his Vergilij, Germanici Cesaris, & Rufi
Avieni carmina, ijs respondentia Arati, quæ à Ci-
cerone conuersa interciderunt.

Hæc autem Latina omnia Græcis ex altera parte
 respondent Ioachimi Perionij opera, cui-
 ius Observationes simul eduntur.
