SYSTEMA SEXUALE VAN LINNÆUS.

Classis I. MONANDRIA. Ordo Monogynia.

Alpinia pag. 302, Amomum 300, Elettaria 301, Carcuma 299, Kaempferia 298, Zingiber 297, Costus 298, Maranta 303.

Ordo Digynia.

Blitum 217.

Classis II. DIANDRIA. Ordo Monogynia.

Salicornia 217, Piper 281, Olea 170, Fraxinus 171, Syringa 170, Gratiola 193, Lycopus 201, Salvia 201, Rosmarinus 201, Collinsonia 212, Justicia 212, Veronica 195.

Classis III. TRIANDRIA. Ordo Monogynia.

Iris 304, Crocus 306, Fedia 142, Gladiolus 307, Cyperus 308, Scirpus 308, Eriophorum 308.

Ordo Digynia.

Digitaria 316, Cynodon 316, Phalaris 312, Festuca 312, Triticum 313, Secale 314, Hordeum 315, Avena 309, Saccharum 311, Andropogon 310, Panicum 311, Arundo, 312, Calamagrostis 313.

Classis IV. TETRANDRIA. Ordo Monogynia.

Scabiosa 142, Globularia 213, Dipsacus 143, Asperula 130, Galium 131, Rubia 130, Krameria 28, Alchemilla 90, Sanguisorba 90, Plantago 214, Cornus 126, Camphorosma 218.

Ordo Tetragynia.

Ilex 56.

Classis V. PENTANDRIA. Ordo Monogynia.

Anchusa 183, Heliotropium 184, Borago 183, Echium 184,

Onosma 182, Pulmonaria 183, Lithospermum 184, Alkanna 182, Symphytum 182, Cynoglossum 163, Anagallis 213, Lysimachia 212, Cyclamen 213, Primula 213, Erythraea 177, Cordia 184, Menyanthes 178, Spigelia 178, Convolvulus 179, Plumbago 214, Solanum 185, Capsicum 190, Physalis 186, Atropa 186, Hyoscyamus 187, Datura 189, Nicotiana 188, Verbascum 191, Vinca 174, Nerium 175, Apocynum 175, Strychnos 173, Cinchona 131, Exostemma 137, Lobelia 164, Coffea 137, Chiococca 138, Cephaelis 138, Psychotria 139, Ophiorrhiza 131, Nauclea 140, Rhamnus 55, Zizyphus 56, Vitis 44, Diosma 48, Galipea 49, Cedrela 44, Viola 24, Jonidium 25, Ribes 105, Hedera 125, Lonicera 128, Diervilla 128, Symphoria 128, Tabernaemontana 175, Echites 175.

Ordo Digynia.

Cynanchum 171, Asclepias 171, Calotropis 171, Alyxia 175, Gentiana 176, Chenopodium 216, Halimus 217, Atriplex 217, Schoberia 217, Salsola 217, Beta 218, Ulmus 251, Heuchera 106, Panax 125, Eryngium 108, Sanicula 109, Astrantia 109, Hydrocotyle 109, Apium 109, Petroselinum 110, Ammi 110, Carum 110, Pimpinella 111, Sium 112, Oenanthe 113, Foeniculum 113, Athamanta 114, Penedanum 118, Meum 114, Crithmum 114, Levisticum 115, Angelica 115, Archangelica 115, Ferula 116, Dorema 118, Thysselinum 119, Cuminum 119, Imperatoria 119, Anethum 120, Pastinaca 120, Galbanum 120, Daucus 120, Anthriscus 122, Myrrhis 123, Conium 123, Coriandrum 124, Seseli 125, Helosciadium 125, Aegopodium 125, Silaus 125, Smyrnum 125, Tordylium 125, Scandix 125, Heracleum 125.

Ordo Trigynia.

Sambucus 127, Viburnum 128, Rhus 57, Semecarpus 58, Tamarix 97.

Ordo Pentagynia.

Linum 31, Aralia 126, Stalice 214.

Classis VI. HEXANDRIA. Ordo Monogynia.

Calamus 273, Taliera 274, Liliun 292, Hemerocallis 293, Fritillaria 293, Narcissus 293, Scilla 290, Allium 291, Aloë 289, Asphodelus 291, Erythronium 291, Ornithogalum 291, Anthericum 291, Narthecium 291, Xantorrhoea 293, Draecena 280, Asparagus 279, Convallaria 279, Juncus 307, Luzula

307, Bambusa 312, Nastus 400, Acorus 284, Berberis 13, Richardsonia 139, Tacca 304, Bursera 63.

Ordo Digynia.

Oryza 312.

Ordo Trigynia.

Triglochin 307, Veratrum 286, Colchicum 287, Rumex 220.

Ordo Polygynia.

Alisma 314.

Classis VII. HEPTANDRIA. Ordo Monogynia.

Aesculus 43.

Classis VIII. OCTANDRIA. Ordo Monogynia.

Vaccinium 164, Oxycoccus 164, Lawsonia 96, Santalum 238, Amyris 61, Balsamodendron 60, Icica 62, Daphne 226, Tropaeolum 46.

Ordo Trigynia.

Polygonum 219, Coccoloba 226.

Ordo Tetragynia.

Paris 280.

Classis IX. ENNEANDRIA. Ordo Monogynia.

Anacardium 58, Cinnamomum 228, Camphora 233, Dicyclium 234, Mespilodaphne 234, Ocotea 234, Nectandra 234, Sassafras 235, Benzoin 235, Laurus 235.

Ordo Trigynia.

Rheum 222.

Classis X. DECANDRIA. Ordo Monogynia.

Arctostaphylos 166, Rhododendron 165, Ledum 166, Pyrola 167, Chimophila 167, Boswellia 62, Quassia 53, Simaruba 53, Ruta 51, Dictamnus 51, Guajacum 47, Myroxylon 64, Cassia 75, Haematoxylon 73, Caesalpinia 73, Copaifera 76, Ceratonia 74, Bowdichia 78, Hymenaea 78, Terminalia 96, Aloëxylon 79.

Ordo Digynia.

Saxifraga 106, Chrysosplenium 106, Saponaria 29, Dianthus 30, Gypsophila 30.

Ordo Trigynia.

Silene 30.

Ordo Pentagynia.

Oxalis 46, Sedum 103, Cotyledon 104, Agrostemma 30.

Ordo Decagynia.

Phytolacca 218.

Classis XI. DODECANDRIA. Ordo Monogynia.

Garcinia 42, Lythrum 96, Asarum 241, Triumfetta 37, Agathophyllum 99, 236, Styrax 168, Benzoin 168.

Ordo Digynia.

Agrimonia 90.

Ordo Polygynia.

Sempervivum 104.

Classis XII. ICOSANDRIA. Ordo Monogynia.

Amygdalus 94, Persica 95, Prunus 91, Caryophyllus 97, Myrtus 98, Myrcia 98, Eucalyptus 99, Punica 95, Opuntia 104.

Ordo Pentagynia.

Pyrus 83, Cydonia 84, Crataegus 85, Spiraea 90, Gillenia 90, Mesembryanthemum 104.

Ordo Polygynia.

Rosa 85, Rubus 87, Fragaria 88, Potentilla 89, Tormentilla 88, Geum 89.

Classis XIII. POLYANDRIA. Ordo Monogynia.

Chelidonium 15, Glaucium 16, Podophyllum 9, Papaver 14, Actaea 5, 8, Calophyllum 43, Vateria 43, Capparis 22, Tilia 36, Cistus 23, Helianthemum 23, Bixa 22, Thea 38, ? Dryobalanops 234.

Ordo Trigynia.

Paeonia 8, Aconitum 7, Delphinium 6.

Ordo Tetragynia.

Drymis 10.

Ordo Pentagynia.

Nigella 5.

Ordo Polygynia.

Adonis 5, Helleborus 4, Anemone 3, Ranunculus 4, Clematis 2, Illicium 10, Liriodendron 11, Monodora 238.

Classis XIV. DIDYNAMIA. Ordo Gymnospermia.

Lavandula 197, Ocimum 198, Mentha 198, Origanum 202, Thymus 204, Calamintha 205, Satureja 205, Clinopodium 205, Melissa 205, Hyssopus 206, Nepeta 207, Glechoma 207, Dracocephalum 207, Melittis 207, Lamium 207, Galeopsis 208, Stachys 208, Sideritis 209, Betonica 209, Marrubium 209, Ballota 209, Leonurus 210, Scutellaria 210, Prunella 210, Ajuga 210, Teucrium 211.

Ordo Angiospermia.

Verbena 212, Vitex 212, Rhinanthus 196, Euphrasia 196, Pe-

dicularis 196, Melampyrum 196, Scrophularia 192, Digitalis 193,
Linaria 195, Antirrhinum 195, Acanthus 212, Lathraea 196.

Classis XV. TETRADYNAMIA. Ordo Siliculosae.

Cochlearia 20, Armoracia 21, Lepidium 21.

Ordo Siliquosae.

Nasturtium 18, Sisymbrium 19, Sinapis 19, Dentaria 19,
Brassica 20, Raphanus 20.

Classis XVI. MONADELPHIA. Ordo Decandria.

Geranium 46, Swietenia 44,

Ordo Dodecandria.

Canella 43.

Ordo Polyandria.

Althaea 33, Malva 32, Gossypium 34, Hibiscus 34, Acacia 79.

Classis XVII. DIADELPHIA. Ordo Triandria.

Tamarindus 74.

Ordo Hexandria.

Fumaria 17, Corydalis 17.

Ordo Octandria.

Polygala 26.

Ordo Decandria.

Genista 66, Ononis 66, Glycyrrhiza 70, Indigofera 71, Dipteryx 79, Andira 79, Geoffroia 78, Pterocarpus 71, Butea 72, Trigonella 67, Astragalus 68, Melilotus 67, Phaseolus 72, Vicia 72, Pisum 72, Ervum 72, Robinia 70, Psoralea 71, Colutea 71, Thephrosia 71, Mucuna 73.

Classis XVIII. POLYADELPHIA. Ordo Decandria.

Theobroma 35.

Ordo Icosandria.

Melaleuca 98, Citrus 40.

Ordo Polyandria.

Vismia 42, Hypericum 40.

Classis XIX. SYNGENESIA. Ordo Polygamia aequalis.

Taraxacum 146, Lactuca 144, Scorzonera 146, Tragopogon 146, Sonchus 147, Hieracium 147, Cichorium 147, Hypochaeris 147, Carlina 149, Serratula 150, Lappa 148, Cirsium 148, Silybum 148, Onopordon 148, Carthamus 149, Eupatorium 152, Santolina 157, Spilanthus 157.

Ordo Polygamia superflua.

Artemisia 153, Gnaphalium 153, Tagetes 162, Tanacetum 156, Tussilago 151, Petasites 151, Solidago 152, Erigeron 152, Senecio 163, Doronicum 162, Inula 152, Arnica 162, Matricaria 160, Pyrethrum 160, Anthemis 158, Anacyclus 159, Guizotia 160, Chrysanthemum 161, Achillea 157, Bellis 162.

Ordo Polygamia frustanea.

Centaurea 150.

Ordo Polygamia necessaria.

Calendula 163.

Ordo Polygamia segregata.

Echinops 150.

Classis XX. GYNANDRIA. Ordo Monandria.

Orchis 294, Epipactis 296, Listera 296, Neottia 296, Vanilla 295, Angraecum 296.

Ordo Hexandria.

Aristolochia 239.

Ordo Octandria.

Cytinus 238.

Classis XXI. MONOECIA. Ordo Monandria.

Euphorbia 248, Artocarpus 254.

Ordo Triandria.

Zea 312, Carex 307, Coix 313, Emblica 243, Ficus 252, Typha 285.

Ordo Tetrandria.

Buxus 242, Morus 252, Dorstenia 253, Antiaris 254, Urtica 254, Parietaria 254, Alnus 264.

Ordo Pentandria.

Crozophora 245.

Ordo Hexandria.

Sagus 274, Elate 275, Corypha 275, Areca 273, Elaeis 276, Cocos 276.

Ordo Polyandria.

Arum 283, Dracontium 284, Sagittaria 100, Poterium 90, Juglans 59, Quercus 257, Liquidambar 262, Fagus 259, Corylus 259, Betula 263, Caryota 273, Croton 243.

Ordo Monadelphica.

Pinus 267, Thuja 267, Ricinus 245, Siphonia 247, Jatropha 246, Hura 247, Hippomane 247, Plukenetia 247, Omphalia 247, Bryonia 102, Cucumis 100, Momordica 103, Ecballion 103.

Classis XXII. DIOECIA. Ordo Diandria.

Salix 259.

Ordo Tetrandria.

Viscum 126, Myrica 264.

Ordo Pentandria.

Cannabis 254, Humulus 255, Ceratonia 74, Pistacia 57.

Ordo Hexandria.

Smilax 277, Hyphaene 276, Phoenix 275, Arenga 273, Borassus 275.

Ordo Octandria.

Populus 261, Rhodiola 104.

Ordo Enneandria.

Mercurialis 248.

Ordo Decandria.

Coriaria 76.

Ordo Dodecandria.

Menispermum 11, Coccus 12.

Ordo Polyandria.

Datisca 256.

Ordo Monadelphia.

Juniperus 265, Taxus 265, Ephedra 265, Cycas 271, Zamia 271, Encephalartos 271, Cissampelos 12, Myristica 237, Excoecaria 247, Alchornea 247.

Ordo Syngenesia.

Ruscus 279.

*Classis XXIII. POLYGAMIAE genera ad caeteras classes relata.**Classis XXIV. CRYPTOGRAMIA. Ordo Filices.*

Equisetum 317, Botrychium 322, Ophioglossum 322, Osmunda 318, Polypodium 321, Aspidium 319, Adiantum 320, Asplenium 321, Scolopendrium 321, Gymnogramme 321, Pteris 321.

Ordo Musci.

Lycopodium 322, Polytrichum 325, Hypnum 325, Leskia 325, Fontinalis 325.

Ordo Algae.

Marchantia 326, Parmelia 327, Sticta 328, Evernia 329, Pellicia 329, Cenomyce 330, Usnea 329, Lecanora 329, Variolaria 329, Roccella 331, Fucus 331, Sargassum 331, Laminaria 332, Sphaerococcus 332, Noctoc 334.

Ordo Fungi.

Agaricus 335, Polyporus 335, Elaphomyces 336, Lycoperdon 336, Tuber 336, Exidia 336, Sphacelia 337.
