V. De meis

Handwritten Latin text, likely a manuscript page, written in a cursive script. The text is dense and covers most of the page, with some ink bleed-through from the reverse side. The script is characteristic of the late Middle Ages or early modern period. The text appears to be a collection of letters or a treatise, discussing various topics, possibly related to law, theology, or philosophy. The handwriting is somewhat difficult to decipher due to its cursive nature and the presence of some ink bleed-through.
