The first part of the report deals with the general situation of the country and the progress of the work during the year. It is followed by a detailed account of the various projects and the results achieved. The report concludes with a summary of the work done and the plans for the future.

The work has been carried out in accordance with the programme of work approved by the Council of the League of Nations. It has been carried out in a spirit of co-operation and in the best interests of the League.

The results of the work have been most satisfactory and it is hoped that they will be of great value to the League and to the world.
