Ad btām ṽginē

1 Sanctiſſima pulcherr̄ia ſuauis et amena
Gratiſſīa ſacerr̄ia diuinitate plena
Virgineā clemēciā flebiliter exoro
Tuāqȝ precellenciā humiliter imploro
Succurre ſpō filia decora michi reo
Me prece reconſilia cunctipotenti deo
Qū miſer ego varÿs me culpis inquinaui
peccatis multipharÿs cū deum irritaui
Reſpicito cariſſīa me dn̄a benigna
Matrona clemētiſſīa ſupremo deo digna
Intuē culpabilē me vere penitentem
Indignū miſerabilē te pie requirentem
Sis memor mei flebilis īdigni pctoris
homūcionis debilis ſtirps alma redēptoris
Tu vere mr̄ grē ſuccurre penitenti
Tu dn̄a cū facie me reſpice clementi
Velociter exaudias me ṽgo ſuſpirantē
Me pacienter audias humilime precantē
Succurre cōtra ſathāe ṽſucias habūdas
Et erga leuiathane argucias īmundas
Vecordiā veſaniā o dn̄a repelle
Diſcordiā inſaniā a me tu procul pelle

Extingue capitalia pctã criminosa
Precipue mortalia delicta viciosa
Restringẽ mūdi gloriã velociter labentẽ
Caducã trãsitoriã sophistice fallentem
Ut ꝑtẽ et inueniã in gaudio iustorum
Exora michi veniã meorū delictorum
Sic bona tꝑalia cōcede ꝑtransire
Ut queam eternalia parata inuenire
Da michi necessaria p̄sentis hui⁹ vite
Deuincere cōtraria viuendo sine lite
Et sensus meos regẽ dignare v͛go pura
Beniuole protegẽ me diua mater cura
Ut valeã vbilibet me gerere securus
Ne inimicus q̊libet me noceat predurus
Sint oĩa que faciã sic vtinã modesta
Et mea cōuersatio sit nemini molesta
Et in tẽptationibus esto subleuamen
In meditationibus aspira dulcoramen
Tu bonus in oꝑibus o v͛go me dignare
Cū misticis muneribꝫ benigne roborare
Horrẽdis a ꝑiculis me sedulo defende
In cunctis offendiculis solatiū impende

O v̄go venerabilis adiutrix ĩmo fortis
Sis cuſtos michi ſtabilis ĩ hora mee mortis
Me cōtra diabolicas inſidias proteruas
Defendas . ad catholicas me iūgaſq̧ cateruas
O dn̄a pulcherrīa ſuccurre tua prece
Vt eruar acerrima tūc a perhēni nece
At impetra me leuiter poſt obitū purgari
Vt cū electis breuiter queam intronisari
In glorioſa patria iocunda celeſtina
Qua propt̄ viget latria fruitio diuina
Aſſidua leticia concentus angelorum
Pax quies amicitia cōuentuſq̧ ſctōrū
Multiplicatū gaudiū glorificationis
Tripudiū applaudiū vox exultationis
Eterna contēplatio ſuperne deitatis
Laus ſalus iubilatio meloſq̧ ſuauitatis
Nunc dn̄a gratiſſīa flos decus v̄ginale
Matrona ſinceriſſima ſine fine vale. A.
